"Thousands of lives transformed"

Greetings!

On behalf of the Board of Directors, I am honored to welcome you to Saint Anselm's Cross Cultural Community Center.

As a Vietnamese immigrant who came to the United States at a young age, I appreciate the hardship and sacrifices one must endure when starting life in a new country. The Center is an amazing place that helps people from all over the world start new lives in America.

The Center has been serving and improving thousands of lives for over 30 years. We are proud of our heritage and our accomplishments. The numerous clients and friends who have passed through the Center have made important contributions and big impacts to our community. As our client base changed through the years, the Center has also adapted, evolved, and implemented new programs and services to serve the needs of our multi-cultural community. I am so blessed to be a part of this wonderful Center.

The Center is fortunate to have a committed and caring staff led by a dedicated Executive Director. Under her leadership, the Center has been transformed into a model of excellence. We will continue to strengthen our bonds with the community by sharing our rich history and all the programs that we offer while focusing on exemplary individual service, our benchmark for over three decades. We hope you will join us in making the Center an even better place to serve members of our multi-cultural community. Thank you for your friendship and support!

Very respectfully,

Christopher V. Phan, Esq.
