"Thousands of lives transformed"

Greetings!

It is a great honor for me to welcome you to Saint Anselm's Cross Cultural Community Center's website on behalf of the Board of Directors.

I hope you have explored our website and learned about the rich history of the Center and all the programs that we offer our community. Please visit our site often and tell your friends, as we hope to add new and interesting things to view regularly.

The Center has been serving thousands of lives in need for over 30 years. We are proud of our heritage and our accomplishments. The countless clients and friends who have passed through the Center have made big impacts to our community. We are always glad to see them come back and share their success stories with us.

The Center has transformed thousands of lives in our long history and we will continue to do so, yet, still focusing on each individual at a time.

As our clients have been transformed, so has the Center over the years. The Center is always transforming, improving, adding programs, and continuously evolving to serve the needs of our multi-cultural community.

We are fortunate at this to time to have a very knowledgeable, caring staff lead by an excellent Executive Director. We, the Board of Directors, are excited about all the possibilities and the goals we can accomplish together with our staff, our supporters, and you - our friends out in the community.

Thank you kindly,

Steve Park, CPA, MBA
